Ohio Police Juvenile Officers

Association Preamble

We, the members of the Ohio Police
Juvenile Officers' Association bind
ourselves together under Divine
guidance to establish this constitution
for the betterment of humanity through
united action and the fostering of the
best practices and procedures in the
handling of juveniles and those
committing offenses against them.

The OPJOA was founded in 1961 in
Columbus, Ohio with the goal of
bringing together officers throughout
the State of Ohio to improve the
techniques of handling and counseling
youths involved in law violations and
the parents of such youths. The
statewide organization was to be the
means of fostering study and
exchanging of ideas and methods used
in dealing with youth offenders. Over
the years, the OPJOA has become open
to persons interested in the field of
handling youth and who subscribe to
the purposes and objectives of the
organization.
